

# Model 4

## Trap Setter

Max. 1000 BG (330)

Max. 4½ - 5 Long Spring (4½ NH)

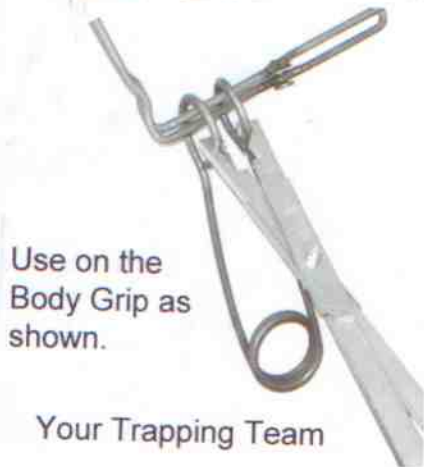

This **Lightweight No Rust** Trap Setter only weighs **24 oz.** For **SAFETY** --- Please use as Directed.

Directions:

Two "U" Clips are furnished. The Smaller for the SCM #2-3-4 Long Spring Traps. The Larger for the SCM 4½ Long Spring. The "U" Clips **MUST** have pinched in legs. If these legs are bent other than shown Do Not Use. Either re-bend or buy another.

Install with the open end toward you and fully on the spring. Should the clip fly off it will travel away from rather than toward you.

Use on the Body Grip as shown.
